

Outline: (Picture of Shenzhen 1980 vs now) (find a side-by-side picture)

1. Introduction to the rise of China
  - a. Talk about how much attention is paid on the economic rise of China (The so-called “China Shock”) (link to some articles talking about the economic rise of China)
  - b. However, not as much attention has been paid on the standard of living increase in China
2. This project discusses the standard of living improvements for Chinese residents
  - a. We start with a discussion of the HDI
    - i. China's rise from low to high HDI in 20 years as a world first (chart goes here)
      1. Explain how HDI is calculated (life expectancy, income, education)
  - b. Go in chronological order to explain how this HDI growth is possible
    - i. Start with life expectancy increase during the Mao years (chart goes here)
      1. Explain life expectancy increase formed the prerequisite growth for later economic growth
      2. [Full article: An exploration of China's mortality decline under Mao: A provincial analysis, 1950–80](#)
      3. [Life expectancy at birth, total \(years\) - China](#)
    - ii. Brief discussion of Reform and Opening Up
    - iii. Poverty reduction in China from 1981 onwards (chart goes here)
      1. What efforts were made to get poverty reduction done as opposed to simply assuming that economic growth took care of all the poverty reduction.
    - iv. Possibly talk about increasing educational attainment?
      1. Talk about education increase study
        - a. [Full article: An exploration of China's mortality decline under Mao: A provincial analysis, 1950–80](#)
3. Possible future for China?
  - a. Picture kung-fu robots?
  - b. Ending could be something about general stuff like the possible slow down of China's growth
4. Extras?
  - a. Poll showing Chinese approval of government (very high approval rate)
  - b. Wage-growth in Asia chart? (China and Vietnam rising much faster than the rest)
  - c. Comparison with Vietnam (China's socialist market economy vs Vietnam's socialist-oriented market economy)
  - d. Putting big block quotes in the narrative between paragraphs
  - e. Further expansion in general?
